It is a remake of the 2013 Telugu film Tholi Prema and is based on the 2008 Malayalam film Vishwaroopam. The film was shot in Telugu and Malayalam languages. The soundtrack and background score were composed by the former and the latter respectively. The film has been released on 12 November 2015 and received a positive response from critics. Plot Sivaji (Kalyani Priyadarshan), a hardcore lover, is a devoted single parent of two children with his lover Anandhi (Jagapati Babu). The duo has been in a relationship for a long time, but they are worried that the children might call it off because of Sivaji's relationship with his girlfriend (Ramya Krishna). So, the duo keeps the relationship a secret. The rest of the film is about how the children take advantage of the secret to the adults and bring a lot of pressure on their parents. Sivaji tries to get rid of his girlfriend Anandhi as the children love her more, but her death affects the children's lives more than Sivaji's. The children then attempt to tell Sivaji's girlfriend about their parents' relationship, but Sivaji tells them to tell nobody. But, the children take a strong stance against Sivaji's decision and do so. This, in turn, leads to Sivaji and Anandhi becoming more secretive with their relationship. One day, Sivaji and Anandhi get a call from one of Sivaji's old college mates, asking Sivaji to come for his daughter's birthday. Sivaji goes to his old college mate's house, where he is shocked to see that the old college mate is now his brother-in-law. In anger, Sivaji confronts his brother-in-law and tries to explain what has happened. To everyone's shock, the old college mate finally tells the truth about Sivaji and Anandhi. Sivaji then decides to leave everything and takes his children away. But, before he can go, Anandhi decides to come with him, even if he is with another girl.
